

ST. KATERI TEKAKWITHA

*“I am not my own; I have given myself
to Jesus, He must be my only love.”*

St. Kateri Chaplet

May the Holy Trinity,
the Father, the Son and the Holy Spirit,
through St. Kateri’s prayers,
restore the beauty of our
waters, skies, forests, and air;
the ecology of our entire world.

Pray the chaplet from the heart, meditating
on your prayer intentions. To show your
love for Jesus, feel free to kiss the cross.

Start by making the sign of the cross.
On each dark bead, pray the Our Father;
On each reddish bead, pray the Hail Mary;
On each clear bead, pray the Glory Be.
Finish by making the sign of the cross.

St. Kateri,
Patron Saint of the Environment & Ecology,
Pray for Us.
